February 2020 President's Message

Good day Folks, hope you are staying warm as it is cold outside. A slow time of year except for Super Bowl and the beginning of Nascar. March madness is coming soon. Who are you wanting to win Super Bowl ?

Bob Martchink had his granddaughter 4 year old Adelee attend as our youngest guest at the last meeting. She is a Mustang fan, our youngest car enthusiast. Not bad !

Several members went to the Iron Spike Model Train Museum in Washington on Saturday January 25th hosted by Rick and Sue LaBeaume. Then a great lunch at Millers Restaurant. Everyone had a great time. Thank you Rick and Sue for hosting and Herb for organizing this event.

Candicci's Restaurant was an enjoyable experience by all attended last December so it was decided by the membership to go back next year again.

2020 Archway dues are due now. Applications were the cover page of December and January newsletters. Fill out the form fully and mail in with your dues.

I am stepping down as the Oldsmobile Club of America South Central Zone Director and I am looking for a replacement. This is a two year term. Please contact me if interested or if you have any questions or concerns. It is a good experience to be on the board. Please consider this position.

There are several club activities that Herb Kopff has taken charge of. First Herb has been working with Gateway Classic Cars in O'Fallon Illinois for our Archway Oldsmobile Club to host the Saturday May 30th Caffeine and Chrome morning car display event. Arrival time 8:30 or after. So far we have 11 attending. Please consider being a part of this group hosting this car event. A lot of car enthusiast attend this monthly event and we want you to experience this with us.

Second Herb has been working on Magic Dragon Street Meet Nationals at Bagnell Dam strip on May 1st, 2nd and 3rd. We all stay at Port Arrowhead that weekend just a couple miles away from the action. More will be forthcoming from Herb at the next meeting. Registrations for will be available, next meeting.

Third Herb has been working with the Kirkwood Downtown Business group for our annual RT 66 Cars and Guitars Festival on Saturday June 13th. We passed around fliers and Event applications for this event. If interested please fill out the form you have now or the form that Herb will be bringing to the next meeting. Also bring your entry fee of \$20.00 and give to Herb so we can sign up for this event as a group and enter as a group this day. Questions contact Herb.

Thank you Herb for organizing these events for the club.

As you all know that the Archway Olds Club has agreed to organize and host the Collector Car Trivia Night on Saturday 4th. That is coming fast so we need to get organized to put on a fun event for all car enthusiast that are attending this event. I passed around the event fliers and all were taken so hand those fliers out to auto shops, parts stores and auto dealerships you can think of. Marcie has the introductory letter if you need them to pass to businesses to promote attendance items that we need and that invitation letter and flier will help you get these attendance prizes we need to gather. We can get you these letters and fliers just contact Marcie or myself. Marcie and myself have been sending out introduction letters and fliers to local car clubs and I have have several positive replies that clubs are already two tables full. Folks this can be a successful event for local car clubs with your volunteering to help us.

Let me give you what needs to be accomplished in two months. Looking for business sponsors for silent auction bundles and Raffle basket items.

Presidents Message (continued)

We need to write questions and edit and back check for accuracy of all those questions.

Need to make a powerpoint and check for accuracy of all. This above needs to be done in the next 60 days.

I passed around a volunteer sheet and many have signed up but I need more members to volunteer. This is an indoor event so no rainy or hot sunshine to deal with. This event should be easier than putting on a car show so please consider volunteering and helping getting sponsorships, Silent Auction items, Raffle baskets and give away items. There are many other items to accomplish but let's get this above actively moving forward then we can worry about smaller issues that need to be accomplished before April 4th.

Does anyone in the club have a credit card reader that we can use. We need to be able to take credit cards for this event. Let us know if you have one we can use this night.

Thank you for volunteering and getting this accomplished for the good of the club.

We have other activities upcoming so here are a few that have not been mentioned yet, Sunday April 12th Easter Sunday the annual display at the upper Munny Lot with the Horseless Carriage Club hosting. Same as in passed years. Once I get the registration form we can sign up but consider this till then.

Hot Rod Power tour stopping at World Wide Technology Raceway in Madison Illinois on Wednesday June 10th.

The Great Race stopping in Cape Girardeau overnight on Tuesday June 23rd? I think the 23rd?

Please take care and stay warm. See you at the next club meeting Tuesday February 11th.

January 2020 Archway Meeting Minutes

- President Gene Bossaller called the meeting to order at 7:11 pm at the Sports Café in Bridgeton, January 14, 2020.
- Gene welcomed our young guest, Adelaide, guest of Bob Martchink, who has a 69 442!
- Everyone shared their well-wishes for Dan Breen, who is having surgery. Get well soon Dan!
- There were no official meeting minutes from December so the members did not have to approve the minutes.

OLD BUSINESS

- The discussion regarding the Christmas Brunch revolved around the positive comments about the food, service, venue, and of course, Dan's great musical talent. The area was perfect for our size group and noise level. The members were asked if we would like to return to Candicci's for next year's Christmas Brunch, and everyone agreed. Herb made the motion, and Steve seconded. Reservations should be made early for the date, and the cost may be adjusted depending on the year's events.
- **DON'T FORGET!!!** Annual membership dues are required for the 2020 year. 2020 will be our best year ever! Applications were on the front cover of the January newsletter.

NEW BUSINESS

- Looking for someone to replace Gene as South Central Zone Director. Please give Gene or Jerry a call if you are interested. It is not difficult and a great experience!
- Rachel, our Troy Chamber of Commerce spokesperson for the Memories on Main Street Car Show, has requested that we move the 2020 car show to the second Saturday in August. This would make it on August 8th.
- We are planning a visit to the Iron Spike Train Museum in Washington, MO, on Saturday, Jan 25. We will meet at 30 and 270 at 9:30am, and leave from the Park and Ride. We will share a lunch together at the local restaurant, recommended by Rick and Sue Labeaume.
- Sunday, April 12 is the annual display at the Horseless Carriage Club Easter Car Show at the upper Munny lot. We had a great turnout last year, and perfect weather. Hope to see you there!
- The Magic Dragon Street Machine Nationals will be held on May 1,2 and 3 at Bagnell Dam. In the past, we have stayed at the Port Arrowhead hotel, down the street from the hotel.
- Herb has been working on hosting the Gateway Classic Cars Hosting Clubs Cars and Coffee on Saturday, May 30. The Archway Olds Club will be the host club on this day. Plan on coming down, and we can break bread together afterwards!
- The Hot Rod Power Tour will be coming through town on Wednesday, Jun 10, at World Wide Technology Raceway in Madison, ILL.
- Saturday, June 13th is the Route 66 Cars and Guitars Festival in downtown Kirkwood. Send your check to the listing on the flyer.
- The Great Race will be stopping over at Cape Girardeau on Tuesday, June 23 overnight. We can drive down earlier and be waiting for the cars entering that evening.
- Another suggestion would be the Gateway Bronco in Hamel, ILL, about an hour out of town, then have lunch together.
- How about the Dr. Oldsmobile Museum in Robinson, ILL, close to the Indiana border? This is a 3-hour trip.
- Don't forget about the Oldsmobile Homecoming in mid-June in Lansing, Michigan.
- If anyone else has ideas for club activities, let us know!
- For the Collector Car Trivia Night on April 4th: we will need a Master of Ceremonies – Jerry Wilson has graciously volunteered.

January 2020 Archway Meeting Minutes (continued)

- We have started sending out introduction invitations to other clubs and organizations. We still need everyone to hand out flyers and invitation letters to potential attendees and businesses. Let Gene know if you need either of these items to hand out.
- We need to get started on Silent Auction items and Raffles items. Don and Donna are making some throw blankets. Maybe something with a Blues theme, or Stanley-cup related? We need everyone's help on getting items together for this event.
- A Trivia Night Volunteer Sheet has been passed around for everyone to add their names. We need everyone on board for this important event!
- We need someone who can take credit cards and cash for this evening. Does anyone have a credit card square on their phone?
- We also need an Audio-Visual person that can operate the state-of-the art equipment that we will be renting. Is there a volunteer?
- We can rent the kitchen for \$100. Is there an interest in serving sandwiches, chips and soda? We will not need a food service license since the Legion Hall has a legal contract for food distribution. How about Melva's famous pork sandwiches?
- We also need questions and answers for our Car Trivia. And of, course, every one of our volunteers for this successful evening!
- Anyone who has experience with a Trivia Night, we are very appreciative of your input and advice.
- Chris Doering's newly-restored W30 will be debuted at the McCracken Car Show in Rosemont, IL this Thanksgiving. Great job Chris!

ADJOURNMENT The meeting was adjourned at 8:07pm; Motion accepted by Evelyn, 2nd by Carol.
