October 2019 President's Message

Howdy Folks, are you all busy? Is life busy? I am so busy? Is everybody busy? I hope so or else I am the only one running in circles.

Randy had back surgery about a month ago and is at home recovering. I am sure he is bored to death by now. If you have a moment call him and talk to him for a while. Let Randy know we are thinking of him and we are in his corner for a fast recovery. I hope to see Randy at our next club meeting. If he is not there let's vote him in as 2020 club president. He should show up now. Keep your thoughts and prayers for Randy for a speedy recovery. He likes to speed.

Gerry Davis again updated the club roster on October 10th 2019. If you need a new roster ask Gerry or come to the meeting as I have a few to hand out at the November meeting.

Rally Around the Tower was a successful car show. Melva and associates made money to repair and update the Smithton Water Tower at this car event. The club was a strong supporter again of Melva's event. Thank you all who attended.

October 12th at the Car, Truck, Tractor, Fun Show our own Steve Wilson and his Knights of Columbus puts on this car show and the club again supported this event. We had 23 cars counted at this event. We won the club participation award again this year and I hope to remember to bring to the next meeting. Thank you all who attended as we all have a good relaxing time this day. Maybe next year it will be warmer. Good show Steve.

Just a reminder the club is still looking for a traveling nurse who can travel with the club just in case we need a person who has medical knowledge that can take care of us during our travels.

Our 178th Annual Archway Club Picnic finally had Omelets served. Thanks to Kevin for making Omelets while Mike and Matt cooked the meat for the picnic main entrée and Kevin made us Omelets. A beautiful day for a picnic. All the food was great and the camaraderie was the best. Did you get Gerald's photos of this day as he emailed his One Drive out to members by email that gave us many professional photos of the members and day's activities. Thank you Gerald for all your great photos. This day we were blessed with Mom Beutlemann, Martha who attended and hope she had a good time and hope we see her again soon (Christmas) and maybe she had something to do with those Omelets showing up.

Again Gerald is making Archway calendars for 2020 so if you want one contact Gerald by email or phone to get your name on the list for the club 2020 calendar. I love those calendars.

It's the time of year we need to think about the 2020 Archway Club Officers. We are looking for nominations for officers or volunteers in the side positions that are just as important. We can use your input at the next meeting with nominations and officers support. If you are absent you may be nominated and voted in without immediate notification. Thank you all for your support.

October 2019 President's Message *(continued from previous page)*

I'm sure Randy will be felling so good he will be ready to take my place for 2020. Randy has always been good for our club. Everyone knows him as a leader in Oldsmobile's.

Last month on the last page was the registration form for the 2019 Archway Olds Club Christmas Brunch. This year our annual Christmas Bruch is on December 8th at Candicci's Restaurant at 100 Holloway Road Ballwin, MO 63011, 636-220-8989 from 11:00 AM to 3:00PM. Candicci's are located across the street from Schrader's Funeral Home on Manchester Rd.

Children are \$11.00 as the forms shows. The room can hold 50 at most so get your application in as we can only accept the first 50 who sign up. DEADLINE for applications accepted stop on the 27th the day before Thanksgiving. No late entries accepted. Mail ahead of time so they are in the post office on the 27th. Thank you for considering attending this annual last club event.

When you see Bob and Sherry next time ask them about winning first place in a statewide Dance off representing a local South Side Dance Club. They were competing with much younger competitors and Sherry and Bob won over all the competition to take home the first place award for the local club. What an honor our own club members winning a dance contest. Maybe they will bring a video of them dancing at this event at our next club meeting. "Congratulations goes to Bob and Sherry.

From now on till Saturday April 4th I will be reminding you of the Collector Car Trivia Night that the club voted in hosting this spring trivia night event in St. Charles. So mark your calendars to support or volunteer to be a part of this Collector car Trivia Night. We need you to volunteer to work this event or purchase a table of eight with your friends and support our club. The club is trying something new to make us money plus to donate money to the St. Louis Honor Flight and Animal Welfare Charities. Saturday April 4th from 7:00PM to 11:00 at the American Legion Hall 312 located on 2500 Raymond Drive, St. Charles, MO 63301.

This should be enough to absorb for now. Hope to see you all at the next club meeting so we can conduct a fair nominations this evening. Take care till then and hope you can stay busy.

Gene

Don did a great job of collecting the attendance prizes.

- A winter Car Trivia Night was discussed to be held in early April of 2020. This would be a great opportunity for our club to expand our activities and benefit charity as well. We need everyone’s help and input to make this work. Locations, logistics, etc., need to be considered and defined. Let’s work on this soon to get our date set up and everyone aligned. Shannon has extensive experience with these types of events and is willing to guide us in this exciting opportunity, but we will need all hands on deck to make it a success.
