## March 2020 President's Message (continued)

Marcie and Steve have been notified by Make a Wish foundation and there is a gentleman who wished to ride in a 1967 442 again. Well guess who gets that call. Marcie has been in touch with this group trying to organize a meeting. Wouldn't it be nice if the whole club shows up with Marcie to support this gentlemen. Please keep this date open Sunday March 15th around noon at the Sports Cafe. Please try to keep this date open and we will discuss at the next meeting more detail of this make a wish event. Hope we have good weather so we all can bring out our Oldsmobile's to celebrate this gentleman's wish.

Saturday March 14th Charlie Hutchison has organized a tour to the Bonne Terre Space Museum. Meeting at Dierberg's at Hwy 141 and Hwy 55 at 8:30 and leaving at 9:00 AM. After the Museum tour the group will eat at Pub Hub and Grill in town. Charlie has a signup sheet being passed around. Sign up at the next meeting.

Again we will display this year at the Easter Car Show at the Upper Munny lot as we do every year. Easter this year will be Sunday April 12th. We have so far eleven members attending. If you plan to attending bring \$15.00 entry fee and give to Don so he can send this registration sheet in the Horseless Carriage Club before the deadline date. If you are displaying give Don \$15.00 at the next March meeting.

Herb has been organizing several club outings recently. First will be Saturday May 30th our Archway Oldsmobile Club will host at Gateway Classic Cars Caffeine and Chrome display in O'Fallon Illinois area. Meet there at 8:30 AM. We will eat together after the event is over. We have passed around the signup sheet and Herb will pass this sheet around again at the next meeting. Please consider attending to represent the Archway Oldsmobile Club.

Second, Herb has organized a weekend event as the Magic Dragon Street Machine Nationals at Bagnell Damn strip starting on Friday May 1st, 2nd and 3rd and staying at The Port Arrowhead that weekend just a couple of miles away from the strip. We go down Friday afternoon check in and find a place to eat dinner then Saturday is the big show display with hundreds of cars from all over. We park together and enjoy the day. Stay Saturday night and come home sometime Sunday on your own. Herb has the event signup sheets to get registered.

Third, Herb has organized the annual Kirkwood Downtown Business group for the Route 66 Kirkwood Guitars and cars display at downtown Kirkwood on Saturday June 13th. We all meet prior to entry and go in together and park together. Herb will reserve tables for the group at Jefferson Grill and we can have dinner together around 5:30. There is a lot going on this evening with many vendors, many stages with music playing. We are able to leave around 9:00 PM. A great time we all have each year. As I mention this is a different crowd.

\*\*\*\* Bring your \$20.00 entry fee if you plan to attend. Bring a check or cash and get to Herb so he can send into Kirkwood in one envelope. Again if you wish just drop by and walk with the crowd if you don't bring a car and eat with us if you let us know you are coming as we reserve seat at dinner.

As you all know that the Archway Oldsmobile Club has agreed and is hosting the Collector Car Trivia Night on Saturday April 4th. That is coming fast so we need to get organized to put on a fun event for all car enthusiasts that are attending this event. I have passed around event fliers for the club members to drop off at auto shops, parts stores, auto dealerships, and other locations you can think of. We are looking for sponsors to help fund this event. Marcie has been passing out introduction letters so you can approach businesses to ask if they would like to sponsor this event for the St. Louis Honor Flight and Animal Welfare locally. Folks with your assistance this can be a successful event we just need some of your time to assist.

## More Club News

### Presidents Message *(continued)*

Let me give you what needs to be done in the next few weeks; looking for businesses sponsors for silent auction bundles and raffle basket items.

We need to write questions and answers and double check those answers to be sure we are correct. Eight rounds of ten questions and answers.

Need to make a power point and check the accuracy and running of this power point.

I again will pass around the volunteer sheet for the night of the event for workers. We will have a dry run earlier in the day and set up registration tables and basket tables earlier that day.

We still need Silent Auction items and Raffle Basket items. We still need an eraser board if anyone has one we can use it this evening.

I hope we can get some support to make this trivia night a success for the club and our charity promotions.

Marcie and Christina has been looking into renting AV equipment for this event and she will give an update at the next meeting.

Melva Way has a Trivia Night and Silent Auction to help restore the Old Millstadt Water Tower on Saturday March 14th at the St. James Parish Center 423 West Madison, Millstadt, IL 62260. Doors open at 6:30 and starts at 7:00. Bring your own snacks and bring your own beverages. I will be attending to witness how to run a trivia night and anyone interested is welcome to come along with me. Fliers will be passed around at the next meeting.

We will have other tours and club events after this Trivia night has passed. I have enough going on at this time. Again if you can help us on this trivia night it would be a big help.

Take care and see you all at the next club meeting  
Gene

- For ideas, we could add cereal to clear bags, and cut candy bars in half, and ask what they are.
- Christina will help with the A-V portion of the evening. We will most likely be renting equipment to cover this wide but not deep room. The hall already has microphones and speakers but no A-V equipment. More to come on the logistics of this type of presentation.
- We need a large dry erase board for scoring updates.
- We have one sponsor so far – Mr. and Mrs. Steve Hedrick Insurance Brokers. If we can get more sponsors that would be great!

## NEW BUSINESS

- The Hot Rod Power Tour will be coming through town on Wednesday, Jun 10, at World Wide Technology Raceway in Madison, ILL.
- Saturday, June 13th is the Route 66 Cars and Guitars Festival in downtown Kirkwood. Check with Don on the details, and send your check to the listing on the flyer. This is a great group, and after we share dinner at Jefferies Restaurant, the crowd applauds when we leave together!

- The Great Race will be stopping over at Cape Girardeau on Tuesday, June 23 at 5:00 pm. We can drive down earlier and be waiting for the cars entering that evening.
