Hopefully we will also get some details from the board meeting!

MEMORIES ON MAIN STREET

Please be ready to go around 0730 on August 9th at the Memories on Main Street Car Show. The Archway Club needs your help park and judge cars. There should be a lunch for the volunteers and afterwards, enjoy some camaraderie with other judges at Stephanina's.

If you bring your Olds, remember that you need to register and pay for judging or display. (See flyer on page 3)

PARADE APPLICATION – FENTON DAYS

The application is in for 6 Oldsmobile's (or at least classics) to represent the club on Sept 6th at the Fenton Days Parade. The parade has a St. Louis theme and runs from Fenton Park to Old Towne Fenton (about 1.25 miles) from 1000 until 1200. Please advise if you will attend at the meeting!

August 2013 President's Message

Howdy All! Hope everyone is enjoying our summer so far. Not so bad as of today. I hope you are getting your cars out and enjoying them at car shows or evening cruises. Again it seems I am working others car shows, enjoying evening car cruises, and just having a bunch of fun again this year. Hope you are also.

Our last meeting started right on 7:00 PM and continued till 8:00ish. I would like to thank our OCA President with keeping the club informed of what is going on with the national club and the direction the club is heading. With a lot of the good old boys leaving looks like a positive momentum is coming very soon. Just as soon as the you know whos walk out the door the OCA club will be heading in a very positive direction that should have been started years ago but we all know what happened. I bet you the old will not even attend this year and that shows the patronage they have towards the Oldsmobile Club of America membership. Glad to see a new group coming in and the old leaving FOREVER. I'll let you know if whom I am speaking of come to the 2014 OCA Nationals and conduct OCA Old Business. There will be a lot of empty seats during Old Business at the 2014 OCA Nationals. Enough said.

We had 24 attend the Creve Coeur Air Port luncheon and hangers tour Sunday June 29th. Several members drove their cars and it was a cool cloudy day for enjoyment. The lunch was good and the hangers with over 40 historic planes were very impressive. Very clean planes and hangers was a surprise for me. Our tour guide was Tom one of the air port owners and the base of the acquisition of all these historic 1918 and up airplanes all perfectly restored. This was a one of a kind event for us. Tom gave us facts of how he acquired each air plane and if he would fly it ever again. Tom's restoration club flew every historic plane he has rebuilt. A very good tour was given. Hope everyone enjoyed themselves.

Saturday August 9th is the main event for our club the Memories on Main Street Car Show held in downtown Troy, Missouri. I have mentioned this till the cows come home. One more time, I hope you can come and help the club park and judge cars as this is the big event for our club. As you know this car show keeps our club going from year to year so we can afford your partner to come to the Christmas party with no charge. Just remember this when our Christmas party comes around this year.

Bring your big hat to keep the sun off your head and neck and bring a large towel to wet down & keep cool. We are concerned about your health. An event shirt will be provided. The club will provide cold water, lunch and dinner for all volunteers.

Doc needs club volunteers at the Arnold Historic Society Car Show being held on Saturday August 16th at the Arnold City Park. If you can help be there before 9:00 AM and contact Doc to let him know you can assist. Thank you.

Through The Eyes Of A Man

A wife was curious when she found two old negatives in a drawer and had them made into prints.

She was pleasantly surprised to see that they were of her at a much younger, slimmer time, taken many years ago on one of her first dates with her husband.

When she showed him the photos, his face lit up.

"Wow, look at that!", he said with appreciation.. "That's my old Ford!"
