## July 2020 President's Message

Good day Folks maybe we are starting to get out a little more but still not completely safe to go 100% out in public. I went to a Sonic car cruise a few Fridays ago and got there late and left early. Maybe in the few more weeks it may be more comfortable to get out more.

This is lasting WAY TOO LONG! Wear that mask while out in public please, be safe.

Dave Smith is no better than a month ago. He is still on a ventilator and a feeding tube as he is too weak to be breathing on his own. This all started as a urinary infection and was not able to get the correct doctor care due to this COVID-19 virus at the same time so they sent him home with medication and that infection got so bad he went into a coma. Now they are planning Dave to be moved to a nursing home to continue his recovery. Please keep praying for Dave as this will be a long time before we see him again. We will have a get well card at our next gathering please track the card down and sign it. Pray for Dave.

Ed Davis had a irregular ( arrhythmia ) heart rhythm. Just recently went to the out patient care and the Doc gave him a Cardio version and it went back to a normal beating again. We will see Ed and Gerry soon again. That is good news.

The mystery cover picture on the June 2020 club newsletter was Marcie Ranick's 67 Cutlass Turnpike cruiser with a 400 CI 2bbl engine 400 Turbo with that special turnpike cruise air cleaner, a rare piece. A burgundy exterior color with black interior and black convertible top with buckets with console. A new car brought back by Randy and his friends.

Marcie is also having another 67 442 2-door hardtop frame on restoration completed.

If you attended the 2019 OCA Nationals you would have seen Mark Davinroy's 70 442 Convertible 4-speed with air car recent frame off restoration.

Just finished is Chris and Nicole Doering's 70 442 W/30 Hardtop 4-speed that will be soon unveiled in the fall of this year. More to follow on the unveiling location and date.

10 members attended the Fathers Day Route 66 Car Show in St. Clair, MO. Larry and Dan won awards. It was a warm day but not too hot. Homer Walker attended from Columbia and that was our big surprise. Thanks for attending Homer it was good seeing you.

We have insurance for our All Oldsmobile Fun Show September 27th. Maybe this will happen? More to follow. Cross your fingers?

My collector car insurance was with Infinity and is stopping collector car insurance in Missouri and I contacted Steve and Tammy Hedrick the Farmers Insurance couple I mentioned that will be contacting you to compare your current coverage now with their Hagerty Insurance or Farmers Insurance coverage will match what I have now by Hagerty. Hagerty are the best coverage for collector car insurance. You can still try Tammy or Steve to see if they can beat what you have now. They helped me with Hagerty coverage.

## First Car Stories

### DON'S FIRST CAR

My first car was a 1950 Chevy Tudor hard top Bel Air model, with a 6 cylinder stick shift. I had it in high school. I painted it black, with steel coat rubber enamel with a brush. You had to get right up next to it to see the brush marks. I cut a '55 Buick fender opening in the back fenders and put plastic chrome around them. I put a split manifold on it for dual exhaust. I do not remember the cost.
