## The May President's Message

First is a big Congratulations to Diana and Kevin Beutelmann who have brought into this world a baby girl that I understand is eight pounds. I don't have any details yet but Diana is doing fine. Congratulations to the Beutelmann family.

The car season is officially started with the Easter Concourse De Elegance Car Show at Forest Park. We had 13 Oldsmobile's on display and thank you Ed and Jerry for the coffee and Gerald for the pastries. Hope everyone had a good time I know I did.

Sunday April 22nd was the Garage tour with the Buick Club and there were about 20 members from the Buick club and 20 members from the Olds club. We started at Barb's shop at 10:00 and it started to rain so lucky her shop is large enough that all attending were able to stay inside out of the rain. The other stops were better weather and the food at Los Cabos in New Melle was good. Hope you had a good time.

Our Tan-Tar-A car show registration is picking up. If you have not signed up please do so now and get your registration to Don.

Rich Carlson has an opportunity for the club to display a car on Saturday May 19th. This event is put on by the Camaro and Mustang car clubs and they are inviting other car clubs to attend an open house called Classic Cars and War Birds. This is an event with the Commemorative Air Force Missouri Wing held at St. Charles County Airport from 10:00AM to 3:00 PM. Lunch concession provided by EAA Chapter 32 at noon. This is a good relaxing time to see old planes do some low fly over's and other open displays. Hope you can attend. Bring your Oldsmobile's and show them for a few hours. [www.cafmo.org](http://www.cafmo.org)

Please mark down and keep open Saturday August 4th we need your help at the Troy Missouri Car Show. Please plan to attend as early as you can and help the club run this car show. Lunch is provided for you. Then we recuperate At Dan's place afterwards.

Hope to see you at our next meeting on Tuesday May 8th after 6:00 PM. Meeting starts promptly after 7:00 PM sometime.

Be careful out there

Gene

## Humor

An elderly man is stopped by the police around 1 am. and is asked where he is going at this time of night.

The man replies, "I am going to a lecture about alcohol abuse and the effects it has on the human body."

The officer then asks, "Really? Who is giving that lecture at this time of night?"

The man replies, "That would be my wife."
