## September 2019 President's Message

Good day members and associates hope all are doing well. The summer is going by quickly. Last August 3rd the Archway club membership gathered and successfully produced another well run Memories on main Street Car Show in Troy. All went very well as we parked cars on main street, registered entries, made sure all entries were correctly entered, judged the cars, tallied the judges results and presented the awards presentation, all on time and in an orderly way. Thank you all who volunteered again to make our largest fund raiser for the club a success. Again we had eight gateway Buick members assist us in the judging. Thanks goes to them also. The Gateway Buick Club has a regional event upcoming next summer, maybe we can return the favor and assist them during their regional car show for the National Buick Club.

Next event for the Archway Oldsmobile club members is the All Oldsmobile Fun Show at the Museum of Transportation on Sunday September 22nd. Same time same location as last year. IMPORTANT NOTE: Barb and I have been meeting with the Museum people and this year we will need to share the upper lot with the Union Pacific Club picnic. This organization is a large contributor to the museum and every few years they have a picnic and this year they have chosen our day to have their picnic so we need to share the upper lot. We will need to tell Sherry and Bob that this year we lost Function Junction pavilion so we will move the DJ set up closer to Barrett Station building close to the handicap parking area close to the power outlets. The music will be moved closer to the main building where the power outlets are located. The section close to the parked trains we lost as the museum will be setting up tables and chairs for the Union Pacific Club picnic. We have the other three sections. The good side of this outcome is that we will have a lot of Union Pacific Club Members we can show our Oldsmobile to. A lot more families interested in transportation and that is right up our alley. Let's show our best and welcome these folks to see what a good looking car is like with open arms. Everything else is the same. Gene and Barb will set up the show and Larry will bring the awards and the road show material and morning coffee. Hopefully awards will be given out sooner this year around three so we can go home earlier. I have contracted the Wing Nut Food Truck to be at our show and parked in the same area as in past years. I believe all has been organized for another Fun Show day. If I forgot something let me know at the next meeting.

Several members will be attending the 40th Anniversary Quad States Regional Show hosted by the Illinois Valley Olds club at St. Charles Illinois September 13th and 14th. I understand they have been working on the roads close by and hopefully they have completed most of the improvements before we travel there. I suggest look at the Illinois Transportation and see where they have the roads tore up and take another way around them to our destination. "May the force be with you".

- Many thanks to everyone to volunteered, and to Barb for planning and purchasing the luncheon. Special thanks to Evelyn and Dave for being our car show greeters – everyone thought this was a great idea!
- We received many compliments and no complaints. Altogether, a big win for the club.
